

KNIGHT

MARINE SERVICES

based in
Universal
Marina

With over 20 years experience in installing, troubleshooting & upgrading electronic equipment on your boat, our expert team will work with you from start to finish offering our expert advice to suit your requirements.

We supply & install all major brands, working directly with Victron & Garmin, to ensure that you get high quality tech straight from the supplier. We also offer an extensive range of maintenance services, which include:

- ◆ Rudder Bearing & Cutlass Bearing Servicing
- ◆ Propeller & Shaft Cleaning
- ◆ Teak Repair & Protection
- ◆ Anode & Seacock Replacement
- ◆ Mast Servicing & Repair
- ◆ Deck & Hull Polishing
- ◆ Antifouling Application
- ◆ Winch Servicing

Plus, book your boat in at Universal Marina with us for **Winter Servicing** from August onwards to ensure your boat can weather all the harsh weather that next winter throws at it and ready to sail come spring.
